If you're a new member... equity!

Every member builds the Co-op with an equity investment. This is the \$100 purchase of your Co-op share (\$150 for households) OR it's your sweat equity volunteer work.

You only pay equity once, when you join as a new member. The annual fee is waived for new members!

If you're a new member, choose your equity plan:

I'm buying my share in full: \$100 (\$150 for households).

I'm paying in \$25 installments every three months.

I'm applying for sweat equity. (If a student or economically qualified, this is ten hours of volunteer time.)

If you're a renewing member... renewal fee!

Happy anniversary! Those who are ALREADY members renew our membership each year with a \$20 fee (\$30 for households).

Regardless of how your equity was completed, we all chip in to support the Co-op financially when we renew!

The card must be surrendered upon termination of membership. (Please note: Half of your equity is a non-refundable investment in our Co-op. The other half is refundable if requested within one year of non-renewal. Please allow 90 days for refund requests to be processed.)
